

MIGHTEAFLOW[®]

ORAL HEALTH LOZENGES

Developed by Dentists, Scientists and Hygienists at the Dental College of Georgia.

INSTRUCTIONS: Allow lozenge to dissolve slowly and rotate between the cheek pouches and under the tongue, then swallow. For best results, take 3 to 6 lozenges per day.

PRECAUTION: Not intended for children or pregnant/breast feeding women. Do not take while sleeping. For human consumption only.

Do not use if seal under cap (or cello- band over cap) is torn, broken, or missing.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
